Magnetic Resonance Managers Society

..... Linking MRI Professionals

Letter from the President

Well, it seems Autumn is officially here and Winter is not far away. Isn't it funny how Summer always seems to go faster than the other seasons? Just like the change of seasons, the board members for your MRMS must also change. **Barb Brown**, the MRMS nominations committee chair, will send out a form to nominate officers for the board. Some of you signed up at the Tampa conference to be contacted about serving as a board member, and we appreciate your interest. Well, here is your chance! The November elections will be held for the following offices:

1. President-Elect
2. Vice President
3. Treasurer
4. Secretary

Serving as a board member is a rewarding experience for any manager. Please consider running for an office so you can offer your expertise to MRMS.

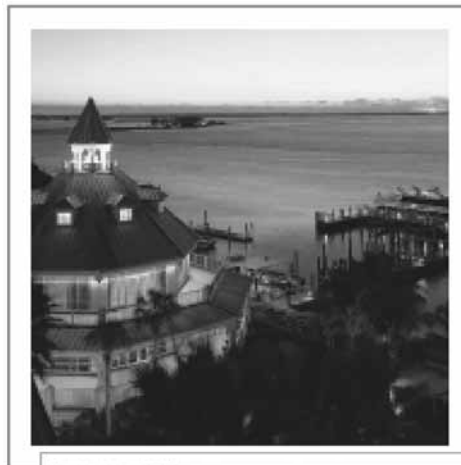

If you are interested, please contact Barb Brown at barbbrown@mri-center.com.

Sincerely,

Dave Kelly
President

2004 MRMS Conference: May 1-5, 2004

There is nothing like Florida in the Spring, especially for those of us in the North! With the near-record turnout at the 2003 conference, it is easy to see why YOUR board of directors listened to your suggestions and broke tradition of alternating each year between East & West Coast conference locations.

We have decided to return to Florida again.

Your board, and the hard working MRMS committees, are gearing up for another educational conference at:

The Sanibel Harbour Resort & Spa, May 1-5, 2004, in sunny Fort Myers, Florida.

2003 Tampa Conference Recap

If you did not attend the 2003 MRMS conference in Tampa, you surely missed out. Besides learning from 10 industry experts, the near-record number of attendees had ample opportunity to network in the classrooms and at the MRMS sponsored functions. Those in attendance also enjoyed Ybor City and other cultural parts of Tampa. In total 56 MRI managers attended the Tampa conference. That's 13 more managers than last year! A special thanks to **Linda Barrett** and **Sharon Fasl** for pulling all the details together which resulted in another successful MRMS conference.

If you are like most of us, curiosity will lead you to their web site to investigate this world-class resort. To check out the conference location, go to

www.sanibel-resort.com

and see what you can look forward to next year!

Why Attend the 2004 Conference?

If you have never been to an MRMS conference, this is the year to go! There will be 10 or more speakers who will educate us on industry changes, employee relations, successful coding and much, much more. You won't find another venue which offers so many industry experts in one place. More information will be sent in the next few months. But, mark your calendars now ... **May 1-5, 2004**, MRMS conference, Sanibel Harbour Resort & Spa, Ft. Myers, Florida.

See you there!
